

STAYING TRUE TO THE VISION.

"I'm truly honoured," says Elise Clark, President of Meloche Windows Ltd., regarding her recent nomination as a finalist for the Chamber of Commerce Entrepreneur of the Year Award. Learning from her father, Bob Meloche – who founded the company in 1957 – Elise has been guided by the business practices, ethics and commitment he established.

She believes this solid foundation will play an integral part in the next chapter of the company's expansion: Meloche's new and unique Galleria showroom. **Opening April 19th** 2010, the Meloche Windows & Doors Ltd. Galleria will offer premium designer products from Weathershield Windows & Doors, Harring Wood Doors, Baldwin Hardware, Rocky Mountain Hardware, as well as ultra-stylish hardware offerings from Valli & Valli and Soko... just to name a few.

"We are very excited to have these premium product offerings finally available to Residents, Builders, Designers and Architects in the Windsor and Essex County area," says Elise. **"Typically, you would have to travel to larger market areas such as Michigan and Toronto to view and purchase these types of products."**

With this new opportunity to serve customers, Elise invites anyone looking for uniquely beautiful pieces to visit the Galleria. There will even be a professional Interior Design Consultant at the showroom daily, 9am to 5pm Monday through Friday, and 9am to 1pm Saturday.
